

Download SCCM eBooks for Free Intune Windows 10

Last Updated: December 17, 2021 by Anoop C Nair

Download SCCM eBooks for Free along with some Intune and Windows 10 free ebooks. Let's read and learn for this holiday season. The following table gives you the option to download **ConfigMgr eBooks** and some Intune eBooks for free. Hope these help to have a better understanding of Windows 10, Intune, and SCCM.

Apart from all these eBooks, you can start learning new technologies using Microsoft [Learn TV](#). Microsoft **Learn is a free, online training platform** that provides **interactive learning** for Microsoft products and more.

Microsoft Learn is to help you become proficient in our technologies and learn more skills with fun, guided, hands-on, interactive content that's specific to your role and goals.

You can avail of the free SCCM training also – [Free SCCM Training 37 Hours Of Latest Technical Content Lab Setup HTMD Blog \(anoopcnaair.com\)](#)

Let's start with the [Introduction to Microsoft Endpoint Manager \(ConfigMgr & Intune\)](#) course. Microsoft Endpoint Manager (MEM) is your **strategic infrastructure for managing and protecting** your organization's devices, apps, and data. In addition, Microsoft Endpoint Manager helps to ensure your end users have the best experience for productivity.

In this post, you shall get an opportunity to download free eBooks for ConfigMgr and Intune. All the following eBooks are either from Microsoft or the community.

ConfigMgr ebooks

Let's download the eBooks to learn more about SCCM. All credits to the Authors of these ebooks.

Most of the eBooks discussed in the post are directly published by Microsoft. However, some eBooks and other materials are from the community members! All the credits owners & authors of the eBooks and other materials.

NOTE! – Most of these eBooks and documents are for the previous versions of Configuration Manager. However, **90% of the concepts** explained in the following documents are still relevant for the Configuration Manager Current Branch version.

NOTE! – Most of the eBooks are **not available** because **Microsoft retired TechNet Gallery**. I'm trying to find more details on Microsoft on this.

SCCM Performance & Scale Guidance whitepaper is produced by the Microsoft product team and it covered end-to-end best practices. Similar to the section on SQL Express and Secondary Sites, additional pointers for WSUS related information was added, and other minor clarifications and updates were.

End to End Software Updates Management whitepaper for Microsoft Endpoint Manager Configuration Manager is developed by [Vinay Pamnani](#). He and the contributors explained the Software Update concept of SCCM in the eBook.

You shall also get the **Configuration Manager architecture Visio** diagram from the below table. More details about the SCCM architecture diagram template are available – [SCCM Architecture Visio Template Download from GitHub Throwback](#).

You can also download other SCCM eBook talks about [Strategic Decision Making and Troubleshooting Guide](#) & 92 Pages Free eBook for ConfigMgr.

- Configuration Manager site hierarchy
- Determining when to use a [primary site](#)
- Determining when to use a secondary site
- Understanding [site-to-site replication](#)
- Understanding [distribution points](#)
- [Active Directory requirements](#) for sites
- Boundaries and [boundary groups](#)
- [WMI](#)
- WMI Scripting
- Custom Reporting
- OSD troubleshooting
- SSRS reports integration
